

S. 1—I looked at some of the S. 1 bills the Democrats have put forward, and they mostly have to do with creating a lot of jobs or making sure there is equal pay for equal work or making sure the minimum wage is increased. We could be doing all of those things together.

It is with pride that I stand here again for my State. It is with no animosity about the election. It was hard-

fought and hard-won. But I believe this is an enormous mistake, and I will continue to stand on my feet as long as it takes to make the case as to why I think it is wrong and make the case where I think there is so much else we could do for the good of our people.

I thank the Presiding Officer for his courtesy.

I yield the floor.
